## INTERNSHIP AND PLACEMENTS:

School gives exposure to students through educational tours and hands-on activities. School invites professionals for various practical sessions for developing essential day to day skills in students. School also holds career guidance sessions for students which helps them in choosing the right stream/career and also enhances their knowledge about careers available and in demand.

School also prepares its students for various competitive exams after class XII, which helps them in their placements.

Note: The school is not running any course at this moment, for which internship is required.
